“The Bishop would like you to serve at Christ the King Parish in Mesa. Do you accept?” Out of breath I answered “Yes!” I had just returned to my room at Casa Santa Maria in Rome in order to make my Skype appointment with the Bishop’s Vicar for Priests. I was out of breath because I had run from the bus stop, through the crowds of tourists, and up to my room so as not to miss the phone call that would give me my new assignment in the Diocese of Phoenix. “Yes!” “Okay, you can get in touch with Father Steve to learn what you need to know about the parish.” That was that!

It is my joy to be Parochial Administrator here at Christ the King. I am happy to present this annual report, filled with the good news about all that Christ our King is doing in us and through us. We have so many things going on in our parish. Please take the time to familiarize yourself with the many ministries and with the people, both staff and volunteers, who make these ministries, happen. Join me in giving thanks to God for all that has been accomplished in this year. Continue to pray for the success of our upcoming efforts and for the building up of our many ministries.

As you read, ask yourself some questions: What strikes out at me of all that is happening here at Christ the King? What new things am I learning about my parish? Where might the Lord be calling me to lend my support? Could this year be the year that I join one of the ministries of my parish? How can I participate in all this good work that is going on at Christ the King?

Thank you to everyone who has given me such a wonderful welcome and for your support in this time of transition. I look forward to all that Christ Our King has in store for us in this next year!

In Christ,

Pastor
After almost eight years it was quite a shock to hear that our Pastor, Father Steve Kunkle would be moving on to a Parish in Phoenix. Just as Father Steve came to Christ the King when we needed a spiritual Father who could unite and heal our community, he is now at St. Thomas the Apostle doing the same. Father Steve was such a charitable and kind priest, it was very hard to say good-bye. Some of his legacy includes: The St. Peregrine Shrine and the cancer ministry, the Religious order of Parish Visitors of Mary Immaculate, the improvement of the buildings and grounds within our campus and the initiation of the partnership with Maggie’s Place to build Hanna House. Father Steve is really enjoying his new parish and he has been very well received. Let’s continue to keep him in our prayers.

We know that all things work for the good for those who love God! The Bishop was certainly generous with us when he asked Father Matt Henry to be our new Pastor, and he assigned newly ordained Father Scott Sperry here as well. It has been such a delight to be able to work with these godly men who are in love with their vocation and who have taken on the role of Father so completely and so beautifully. They have fully entered our community, meeting people literally where they are at: their homes, our campus and other venues. Not only are they passionate about our parish, but Father Matt and Father Scott have such a passion for the work of the St. Peregrine Shrine. Father Scott had a battle with Leukemia, where he received many prayers through the St. Peregrine Shrine. Father Matt lost his mom to cancer 1 month after his return from Europe in July and his Father is also struggling with aggressive cancer. Both of his parents have been prayed for through the Shrine and have had the opportunity to visit it. Both priests are very committed to catholic education and are very present in the school: Father Scott is actually the official “Chaplain”. I have heard many parishioners discussing and sharing how blessed they feel to have these two wonderful priests here at Christ the King.

Change always pushes us outside of our comfort zone, but look how fruitful change can be! All things work for good for those who love God, Romans 8:28

Mission Statement

The Mission of St. Peregrine Shrine at Christ the King Catholic Church is to promote perpetual adoration of Jesus Christ and to pray for those affected by cancer. In the midst of suffering, we offer a sanctuary for spiritual healing and emotional peace.

St. Peregrine Cancer Ministry

The ministry has featured over 500 prayer petitions this calendar year, and almost 1500 since the ministry began. Once a petition is received, prayer cards are set out so that adorers can offer prayer and write notes of encouragement to those suffering with cancer. The notes are mailed weekly to individuals requesting prayers. Notes of thanksgiving arrive from around the world thanking us for keeping them in prayer and giving them strength for the journey.

Prayer Shawls

Volunteers meet weekly at the parish to knit, crochet and quilt; many do it from home. Each shawl is blessed and has a St. Peregrine medal sewn in it as a reminder of the prayers coming their way from the volunteers who lovingly spend their time making beautiful shawls and praying for people they will never meet. The shawls are touched to the St. Peregrine relic and then mailed to those who request them. This year the ministry has given out more than 200 shawls, and more than a 1000 since the ministry began.
Memorial Bricks

The pathway to the shrine is paved with memorial bricks though the generosity of many donors. You can memorialize a loved one, give thanks, or simply support the work of the Shrine. Brick order forms can be found in the lobby of the Shrine, the parish office, or online at www.cancershrine.org.

Adoration of the Blessed Sacrament

Our parish has been blessed with many parishioners who adore the Blessed Sacrament around the clock. Every hour of the day has scheduled adorers. The goal is to have at least two committed adorers each hour. While they are here praying we ask them to pray for those people who have cancer and have asked for our prayers. Due to the dedication and commitment by Dick Jacobson, perpetual adoration is maintained.

Morning of Reflection for Catholic Medical Professionals

A morning of Catholic Medical Professionals was held in January. The day began with a beautiful Mass and a formal breakfast following. Inspirational talks were given and an opportunity to experience the serenity of the Shrine. The Catholic Physicians Guild is asking that this be an annual event!

Prayer to Saint Peregrine

O great St. Peregrine, you have been called “The Wonder-Worker”. For so many years you bore cancer in your own flesh and you had recourse to the source of all grace when the power of man could do no more. You were favored with the vision of Jesus coming down from His Cross to heal your affliction. Ask of God and Our Lady, the cure of the sick whom we entrust to you...

Aided in this way by your powerful intercession, we shall sing to God, now and for all eternity, a song of gratitude for His great goodness and mercy. Amen.

Perpetual Adoration in the Shrine is available 24 hours.

Harmony and Beauty was the theme adopted for the continuing improvement of the facilities and grounds of Christ the King. Over the past year many significant changes and improvements have taken place. This year’s key area of focus has been a “soft remodel” of the church, including consolidating and moving the music and audio visual areas, the enhancement of the confessional to express the dignity of the sacrament, an alcove for Our Lady of Guadalupe including new devotional candles, the installation of porcelain and travertine tile in the sanctuary and in the church entryway, adding an arch in the sanctuary to encompass the crucifix and the tabernacle with a niche for the tabernacle, lending permanence to its presence in the center, and remodeling the west wall to soften the angles of the church and enhance the beauty through arches and art.

Father Matt hosted a Harmony and Beauty Open Forum in September to provide parishioners with a broad picture of the scope and updates for the project. He dialogued with parishioners, heard suggestions, and asked for support moving forward. The remodel reflects the desire for continuity and unity of design as well as theological truths.

Next steps of this project will include the Altar Crown Remodel planned for Lent, the purchase of Sanctuary items and the task of defining and commissioning artwork for the arches. The question of the visibility of the arch and the Crucifix will be addressed by reducing the size of the crown (the large golden ring above the altar) opening up space so that we can see the arch and the crucifix.

We will continue to develop the facilities needed to bring greater dignity and greater reverence to our Liturgy. There remain many opportunities for giving that will carry this project to completion. As Father Matt has shared, “I encourage you all to continue to support this important project that gives great glory to God and helps us all be built up into a holy temple, pleasing to the Lord!” We ask all parishioners to prayerfully consider making a gift to the Harmony and Beauty Project. Please contact Andy Romley at (480) 844-4462 or aromley@ctk-catholic.org for information and for personal assistance in making a gift that speaks to your heart.
Maggie’s Place is a community that provides houses of hospitality for expectant women who wish to achieve their goals in a dignified and welcoming atmosphere. The mission of Maggie’s Place is two-fold. First, Maggie’s Place addresses the immediate physical and emotional needs of the pregnant mothers by providing shelter, food, clothing, and community. Second, Maggie’s Place assists in connecting the women to the appropriate agencies and resources for prenatal care, health insurance, low-cost housing, education programs, and counseling assistance.

Maggie’s Place currently operates three homes in the Phoenix Metropolitan area: The Magdalene House in Central Phoenix, The Elizabeth House in Tempe, and The Michael House in Glendale. Between these three facilities, Maggie’s Place has the capacity to house 21 pregnant or newly parenting mothers. The homes are always operating at capacity. In 2012, the homes received an average of nine phone calls a week from mothers seeking a safe place to call home. These 450+ phone calls came from mothers who would qualify for our homes, if room permitted. The need for safe, supportive maternity housing in Phoenix is overwhelming.

In response to this increasing demand, Maggie’s Place is working to open a fourth home in Mesa, The Hannah House. A seed gift from the former Hannah’s Haven of Hope in Prescott Valley allowed Maggie’s Place to purchase a desirable property from Christ the King Catholic Church, located across the street from the Parish Center. Maggie’s Place will need to increase the size of the existing home, adding five to six bedrooms, two bathrooms and extra storage.

Ground-breaking will occur before the end of the year and they anticipate welcoming moms in Spring 2015.
Christ the King Ministries

It is in Giving that we Receive...

As a vibrant, diverse, family oriented community, Christ the King Catholic Church has a wealth of ministries that have developed over the years from the gifts and talents of our own parishioners. Opportunities from enriching the experience of the Mass, reaching out to the poor (i.e. H.O.P.E. and Mission of Mercy) serving and assisting parishioners (i.e. Parish Office and the Welcome Center) to helping with the faith formation of all children of God and our brothers and sisters in Christ. This year, Christ the King staff members reached out to our parishioners on Discipleship Sunday to help everyone find additional ways to connect with our family of Christ the King. Tables were placed in the courtyard outside the church with pamphlets that listed current ministries at Christ the King. We received over 70 inquiries and have helped many disciples connect their talents with various ministries.

Remember it is in giving that we receive, so please stop by the Parish Office or Welcome Center to pick up your Discovering Discipleship pamphlet. We will be happy to help you find a ministry that will speak to your heart. In this newsletter, many ministries share some of their accomplishments and the service provided in our community this year.

Pastoral Care Ministry

The Pastoral Care Ministry serves the people of Christ the King in marriage preparation, annulments, visiting the homebound, Funeral Masses, coordinating the Sacrament of Anointing of the Sick, and praying for the specific requests of our brothers and sisters in Christ.

We serve those who are newly engaged and are looking to begin a life together in the Holy Sacrament of Marriage by providing a time of formation to prepare and build a strong foundation for the family. In 2014 there were 17 Marriages, 2 of which were Convalidations.

We serve those of our Parish family who are ill, hospitalized or homebound. Commissioned from the Mass, we bring them the gift of the Eucharist. And to those who are in need of God’s loving and healing grace in times of grave illness, we bring to them the Sacrament of Anointing. We made 2,340 visits to the homebound this past year with 16 Pastoral Care Volunteers who are trained as Extraordinary Ministers of the Holy Eucharist. 193 visits were made to administer the Sacrament of Anointing to the sick.

We serve those who have lost a loved one, helping them to plan the Funeral Mass, and celebrate them. 30 Funeral Masses were celebrated, ushering our brothers and sisters into the hands of God.

“All the sacraments, and principally those of Christian initiation, have as their goal the last Passover of the child of God which, through death, leads him into the life of the Kingdom. Then what he confessed in faith and hope will be fulfilled: "I look for the resurrection of the dead, and the life of the world to come."

Parish Visitors of Mary Immaculate

Parish Visitors of Mary Immaculate are missionary evangelists and catechists. The parish is their mission field and the most rejected and neglected are their focus. In the footsteps of the Good Shepherd, they seek to bring back to the flock those who have wandered away. In imitation of Mary’s visitation to Elizabeth, they go to the homes in the parishes to find the most hidden and forgotten, those who are spiritually neglected. At present, our three Sisters are engaged in this missionary apostolate in three parishes: Sr. Margery Therese at St. Vincent de Paul, Phoenix; Sr. Mary Eileen at the ASU Catholic Newman Center, Tempe; and Sr. Mary Beata right here at Christ the King.
H.O.P.E. is a happy, friendly, welcoming ministry at Christ the King that provides food boxes for its clients every two weeks. Through July 2014, H.O.P.E. helped over 4,000 families in the area. H.O.P.E. also provides turkeys at Thanksgiving along with all items needed for the complete meal. At Christmas time we give Christmas gifts to approximately 300 children in the area. We give school supplies to area students prior to their first day of school. We serve as a resource center providing information for people needing shelter, reduced medical/dental help, housing and many other needs. Our volunteers are comprised of Christ the King parishioners and include retired persons, working persons, students from Christ the King Catholic School, Seton Catholic High School, Mesa High School plus a number of other Catholic and public schools. Our volunteers provided more than 7,200 hours of their time in support of our community. Volunteers are always needed and welcome!

Highlights of the past year include:

✦ Total number of food boxes distributed: 7,995 or 154 per week on average.
✦ Total number of households served: 5,057.
✦ Total number of people provided with multiple meals: 23,654 including 10,643 children.
✦ School supplies and backpacks for 140 children.
✦ The Advent Giving Tree program provided two gifts and blankets for 317 children in 111 families.

If you would like more information about H.O.P.E. and/or would like to volunteer, please contact Margie Yates, Mary Helen Vasquez, or Jeannette St. Onge through the Parish Office at (480) 964-1719.

Life Issues Ministry brings awareness of life issues to our parish community and offers and encourages action through a variety of avenues. Support for the biannual 40 Days for Life Campaigns, “Mail for You” Ministry to Maggie’s Place, baby bottle drive, and sponsoring opportunities for pro-life organizations such as Aid to Women Center are central to the mission of the members. Movie nights on topics including end of life decisions for the practicing Catholic and pro-life updates in our state and abroad, talks to RCIT defending our pro-life faith, and Catholic teachings on Life Issues are organized by the ministry. They find opportunities to have materials and products such as bumper stickers, pins, and literature available for people to pick up after Masses and events, in the parish restrooms and in the bulletin.

Highlights from the past year:

✦ Continue Mail for You outreach ministry begun in 2006. Volunteers provide mail/small gifts on a monthly basis to moms living at all three Maggie’s Place houses in the valley. We look forward to expanding this ministry to new Hannah House across the street from our parish in the coming year!
✦ Participate in fall and spring 40 Days for Life Campaigns outside Chandler Planned Parenthood clinic.
✦ Educating RCIT candidates, Adult Faith Formation, and the school’s 7th grade Spring semester Adopt-a-Baby class on Church teaching on life issues.
Christ the King Ministries

Music Ministry

Members of the music ministry at Christ the King Catholic Church spend several hours each week preparing and rehearsing the music we use to pray for all of our masses. In the past year, the Harmony and Beauty Project brought renovations, reorganization, and relocation to the music area in the church and parishioners volunteered countless hours to make this vision come to life.

Children’s Religious Education & The Sacraments

Christ the King provides faith formation for all ages from pre-school through high school. Our programs give children the opportunity to learn about their faith. Christ the King Parish uses the Catechesis of the Good Shepherd (CGS) approach for the Religious Education Program. It is a Montessori-based religious formation that is rooted in the Bible and the liturgy of the Church to facilitate “hands-on” learning about God, the Church and morality.

Through the Religious Education Program we give our children and youth the opportunity to grow in love and knowledge of God through the Christian tradition and participate in the Church’s mission to proclaim, celebrate and serve.

Adult Faith Formation ~ Bible Studies

Christ the King offers many opportunities for Adult Faith Formation. We have three different bible studies, each meeting on a different day of the week.

One of the programs we offer is The Great Adventure, A Journey Through the Bible. Last February, we offered The Bible Timeline: A Quick Journey Through the Bible, featuring great video presentation by Jeff Cavins, with group discussion facilitated by Deacon Tom Bishop. It was very well received. Continuing with The Great Adventure, A Journey Through the Bible series, we are currently studying Matthew: The King and His Kingdom. This study meets on Mondays at 6:30 pm.

The Living Water Bible Study meets on Tuesdays at 9:30 am and is lectionary based study of the upcoming readings for Sunday Mass. It is a wonderful opportunity for small group discussion and reflection on the important themes of Scripture. All are welcome to attend!

We also have a bible study group that meets on Wednesday mornings at 8:30 am. Various topics are studied, such as the biblical roots of the Sacraments in the Old Testament. We also study some of the words in Hebrew and in its ancient form to get a richer meaning of the Scriptures.

Christ the King also offers faith formation through the Rite of Christian Initiation of Adults (RCIA) and Adult Confirmation. This program helps adults to understand and grow in their relationship with God, to become intentional disciples of Jesus Christ and to receive the Sacraments.

Other Adult Faith Formation

Over the summer the parish participated in a 33 day retreat using Fr. Michael Gaitley’s book titled 33 Days to Morning Glory. The retreat ended with consecration to Mary on the Feast day of her assumption. This offering was so well liked that a group of parishioners are using Fr. Gaitley’s Consoling the Heart of Jesus to continue to develop their relationship with our Lord, as part of our ongoing adult formation offerings.
**That Man is You**

Christ the King's Men's Ministry continues to amaze with the growth of the men living their call to be the men God has called them to be. That Man Is You men’s leadership, now boasting 450 American parishes, continues to draw men deeper into the New Evangelization. During the spring, over 40 men attended the Diocese of Phoenix Catholic Men's Conference experiencing awesome speakers and fellowship with thousands of Catholic men trying to become more holy. Our summer program drew 20 - 30 men weekly to delve deeper into the Bible through Jeff Cavins Great Bible Adventure. That Man Is You was also honored to hear Chris Zadjinski share his witness and develop the theme Virtues and the New Evangelization. That Man Is You also developed Christ the King’s Men’s Ministry Mission Statement: To equip and empower men to become the husbands, fathers, and leaders in the community, that God created us to be.

**Knights of Columbus**

The Knights of Columbus is a fraternal organization of Catholic men recognized by the Church. Christ the King Council 3419 works in partnership with Christ the King parish on a variety of projects. The Knights of Columbus completed 175 activities this past year! Major highlights include:
- Lenten Fish Fry
- Parish Breakfasts
- Assistance with Parish Fall Festival
- Blood Drive in Conjunction with United Blood Services

If you are a man over the age of 18, join us and get involved with your Christian Community!

**LifeTeen**

Our parish Life Teen youth ministry program has been beyond blessed over this past year. Through the support of the parish, not only has the program doubled in size, but our teens were able to attend their first Steubenville Youth Conference in four years this past summer. We look forward to another blessed year of serving the teens of our parish. Thank you for your support and prayers!
## Hispanic Ministries of Christ the King

### Adoración Perpetua
Our Hispanic population has taken charge of developing a strong group of hourly adorers as well as having committed hourly captains and division leaders. These dedicated leaders meet monthly to assure that our blessed sacrament is never alone by providing lists of parishioners who will respond to a call when an adorer is needed.

### Coro Cristo Rey
Our Spanish choir for adults provides the music we enjoy signing to during our prayer time at the 1:00 pm Mass. The Spanish choir has been providing all the music necessary when we wish to celebrate and pray for all our events in Spanish. This group has been able to fill our hearts with joy as we have seen them grow musically not only here at Christ the King, but at other events throughout the Diocese.

### Grupo de Oración
This group has just celebrated their 6th Anniversary of its inception here at Christ the King. We think of this group as our “do it all” group, since we can always count on them for music, prayer, catechism, and of course food! Without the guidance and foundation this group has provided, we would not see the Hispanic spirit present in our church and its ministries.

### Semilla Maya
The Mayan language is the primary language of many of our parishioners who come from Guatemala. They look forward to meeting on Sundays to pray the rosary, celebrate saint days and develop their understanding of culture and Catholic faith.

### Quinceañeras
This traditional coming of age Hispanic celebration has a ministry with teachings that are of benefit to both the 15 year old daughter and members of the family. We look forward to seeing the blessing of this special event during our Spanish Mass throughout the year.

### Guadalupanas
One of our newest assets to Christ the King! This group is a ministry that has consecrated themselves to Our Lady of Guadalupe and will become responsible for the celebration of the holy days associated with our Blessed Mother. They are currently developing their goals and activities as they establish themselves in our community.

### Formación Espiritual
The spiritual formation in Spanish for this group comes from teachings developed by the Kino Institute of the Diocese. This group has also increased the number of parishioners who wish to increase their knowledge of the teachings of their Catholic faith. They are now looking for a larger room to accommodate the new members!

### Encuentro Matrimonial Mundial
Over the past year, Christ the King has seen an increase in requests for marriages in Spanish. This group has developed in support of couples who are seeking a deeper understanding of the sacrament of marriage either before or after the ceremony. Couples participate in weekend retreats from which communities develop, such as the one now established at our parish.

### Sonrisa de Cristo
As the name states...Christ cannot help but smile when he hears this choir of children sing! Our parishioners and parents of these children are lifted with pride and joy when they experience our Spanish Mass with song and prayer sung by these voices. Come and hear so you to may experience this wonderful ministry that developed from our Adult Christ the King Choir in Spanish.
Our Students as Catholics

Catechesis of the Good Shepard begins the faith formation at Christ the King Catholic School. Our students, PreKindergarten through Third Grade attend the Atrium each week. Additionally, we attend Mass weekly as a school community, the students participate in adoration in the Shrine, Chaplet of the Divine Mercy, and reconciliation and service. There are religion lessons throughout the week but the best is the infusion of our faith in every aspect of the day.

Award Winning

For the third year in a row, Christ the King Catholic School received honors from the Best of... Awards. In 2014, the school received recognition for Best Private School, Best Preschool, Mrs. Thayer as Best Elementary Teacher and Mr. Curry as Best Middle School Teacher. Mrs. Stevason, Mrs. Wiseman and Miss Brown were also recognized as runner-ups!

Christ the King Students received a multitude of awards as published authors, poets, artists, science fair winners, and as mathematicians. Mr. Curry, 7th grade Homeroom and 5-8 Math Teacher and Mrs. Agnes, PreSchool teacher were finalists in the Excellence in Private Education Awards. Selected out of hundreds of nominations, they were recognized at a reception in 2013 by the Arizona Council for American Private Education. Both of these teachers are active leaders in the parish and school community. Mr. Curry and H.O.P.E. are finalists for 2014 as well.

Walk For H.O.P.E.

This year during Catholic School’s week, the students of Christ the King School participated in a Walk for H.O.P.E. With wagons filled with food, all 220 students walked the 3 blocks to the Community Center to deliver food and supplies, filling the shelves at H.O.P.E. Students serve every Thursday after school.

Catholic Education Arizona

The tax-credit program from Catholic Education Arizona had $208,000 designated to Christ the King Catholic School for the 2014-15 School Year. Thank you to the MANY parishioners and friends that understand the tax-credit as a win-win for our School and our State. 116 scholarships were awarded to students, with an average of about $2,500 of the $4,634 paid by need-based scholarships.

Congratulations to our Four Service Award Recipients!

Four Christ the King Eighth graders were awarded Christian Service Scholarships, valued at $8,000 each. The students were chosen from a field of hundreds of applicants based on the depth and breadth of their service to their school, parish and community. Kyle, Tori, George and Bridget were recognized by Bishop Olmsted at the ceremony at the Tempe Center for the Arts. Another eight students are applying for this next year.
Technology at Christ the King
In 2013-14 Christ the King School introduced an iPad program to the 6th, 7th and 8th grade students. Each student learns and works with technology in hand, developing organizational, technical, and research skills. Often times the students were the teachers -- to each other and as you can imagine, to the adults!
